

TIPS Training—*Presented by Mitch Gray*

The dynamics of communication and team building in the modern workforce will be explored. It will emphasize how effective communication and strong teamwork are crucial in achieving organizational goals in a fast-paced, diverse environment.

Communication and Team Building in Today's Workforce

5 Strategies for Impactful Communication

1. Communication is about ***presence***
2. Communication is about ***connection***

What does it mean for someone to communicate with you clearly?

3. Communication is about ***gratitude***

What are you grateful for?

4. Communication is about ***story telling***

What is your story?

What is their story?

5. Communication is about ***listening***

How would you like someone to listen to you?
