

TIPS Training—Presented by Mitch Gray

The dynamics of communication and team building in the modern workforce will be explored. It will emphasize how effective communication and strong teamwork are crucial in achieving organizational goals in a fast-paced, diverse environment.

Communication and Team Building in Today's Workforce

5 Strategies for Impactful Communication

1. Communication is about ***presence***
2. Communication is about ***connection***

What does it mean for someone to communicate with you clearly?

3. Communication is about ***gratitude***

What are you grateful for?

4. Communication is about ***story telling***

What is your story?

What is their story?

5. Communication is about ***listening***

How would you like someone to listen to you?
